WELCOME ABOARD!

Cruise to Alaska with Mrs. Green, leaving Seattle on September 18, 2009 with stops in Juneau, Glacier Bay, Sitka, Ketchikan and Victoria, BC. Mrs. Green and Company will go to Sea on Holland America's MS Zaandam, the first "going green" cruise ship.

Guests who join Mrs. Green on the cruise will be able to participate in an exciting "Green Adventure Series" presented throughout the seven day cruise on board the ship by renowned experts in various fields who all share one common interest – making our planet a safer, better place to live.

Green Adventure Series

ORGANICS, LOCAL FOODS, ALTERNATIVE FUELS, AND MUCH, MUCH MORE!

SERIES PRESENTERS

Janos Wilder, "Delicious and Sustainable":

Spend an afternoon with James Beard Award winning chef Janos Wilder, owner of Janos & J BAR restaurants in Tucson and the "godfather" of Southwest Cuisine. Janos has spent a lifetime using local indigenous ingredients and is deeply committed to Native Seeds/SEARCH, whose mission is to conserve, distribute, and document the adapted and diverse varieties of agricultural seeds, their wild relatives and the role these seeds play in cultures of the American Southwest and Northwest Mexico.

Laura Williamson, "Divine Wine & Tales of the Grape":

One of only 17 female Master Sommeliers in the world and a renowned expert, and passionate promoter of organic, sustainable wines. Laura is a senior consultant for Small Vineyards Imports, one of the fastest growing Italian import companies in the US and revolutionary due to a sole focus on hand-crafted artisan production. She will share some of her favorite "finds" discovered during her international travels

Jennifer English, a.k.a. Mrs. Spices:

A James Beard Award winner on the Food and Wine Radio Network, host of KVOI's "Sunday Brunch" radio show, and KVOA TV4 Fresh@4 Food Contributor is an owner of Flavorbank.com Spice Market. Mrs. Spices will be joining her friend Mrs. Green to lead a voyage in search of flavor.

Colleen Crowninshield, "Fuel Speed Ahead: Drive Green & Save Money":

In this fun, informative session you will learn about alternative fuel options such as Biodiesel, Ethanol and Compressed Natural Gas. Discover ways to make your own biodiesel and fuel your vehicles at home overnight for less than \$2.00/gallon. Colleen is the

Clean Cities manager in Tucson, Arizona. The Clean Cities Program is run through the U.S. Department of Energy. It is a public/private partnership charged with decreasing America's dependence on foreign oil through the deployment of alternative fuel vehicles

Bob Dame, "Anatomy of a Solar System":

What parts and pieces are necessary to produce solar power? How do I size out the right system? Where do you go to figure out what you need? How much does it cost? All these questions are answered in a light, informative seminar.

INCREDIBLE SEMINARS AND EVENTS

Mrs. Green has put together an incredible group of presenters and partners to enhance your Holland America Alaska Cruise. Her mission on this cruise is to bring together like-minded individuals, who want to learn more about "Going Green" in many areas of their lives, but also enjoy a great vacation, great food, great wine, new experiences and new friends!
